

He is  
Risen

The image features the text "He is Risen" in a highly stylized, bubbly font. The words "He is" are in a bright orange color, while "Risen" is in a vibrant pink. Both words have a thick, dark purple drop shadow, giving them a 3D appearance. The letters are rounded and have a playful, hand-drawn quality. Surrounding the text are various decorative elements: several four-pointed orange stars of different sizes, small orange and purple circles, and stylized flower-like shapes with multiple petals in orange and purple. A long, thin, curved orange line sweeps across the bottom right, underlining the word "Risen". The entire composition is set against a plain white background.
